The Caucus for Women in Statistics (CWS) and the Portuguese Statistical Association (SPE) are proud to announce the launching of the *International Day for Women in Statistics and Data Science* (IDWSDS) with its first annual celebration event on **October 11, 2022** (the second Tuesday of October). We hope that this will be the annual event for the celebration of women statisticians and data scientists around the world.

- **Showcase** women and their contributions to the field
 - **Connect** women statisticians and data scientists around the world
- Encourage** collaborations among statistical societies around the world
- Impact** statistics and data science to become more **inclusive** and **diverse**
- Bridge** statistics and data science
