

## 61st ISI World Statistics Congress 2017 - Marrakech, Morocco

### Call for Special Topic Session Proposals

If you are interested in organizing a Special Topic Session (STS), please use the [Submission System](#) of the 61<sup>st</sup> WSC [website](#) to submit your proposal.

To be considered by the Local Programme Committee (LPC), chaired by Dr Belkacem Abdous and Mohamed Taamouti, your proposal should contain the following information :

- ✓ Session's title
- ✓ Abstracts of 4-5 presentations
- ✓ Speakers information (name, email, affiliation)

STSs will be selected on the basis of their quality, relevance to the congress and regional representativeness. The list of sessions, organizers, authors for STS will be published on the website by October 2016.

For more details on the STS submission procedure, please visit <http://isi2017.org/index.php/isi2017/guidelines/cp-submission>
