

***Brazilian Journal of Probability and Statistics***  
**Proceedings of XIII Brazilian School of Bayesian Statistics**  
<http://www.redeabe.org.br/eb2016/>  
**Special Volume - call for papers**

The Meeting's proceedings will be published in the ***Brazilian Journal of Probability and Statistics***, having Dani Gamerman (Universidade Federal do Rio de Janeiro) and Flávio Bambirra Gonçalves (Universidade Federal de Minas Gerais) as guest editors.

**Deadline for submissions: 31 August 2016.**

Papers should be submitted by the online submission system (EJMS) for the review process, under the “special volume” flag (to be created shortly). Papers should fit the manuscript submission policy of ***Brazilian Journal of Probability and Statistics***. Submissions within the themes of the short courses, invited conferences, short talks and poster sessions of ***XIII Brazilian Meeting on Bayesian Statistics*** are particularly encouraged.

**Guidelines to authors:**

<http://imstat.org/bjps/mansub.html>

Proceedings of ***XIII Brazilian Meeting on Bayesian Statistics*** to be published at ***Brazilian Journal of Probability and Statistics*** seeks high quality research papers in applied or theoretical probability and stochastic processes.

The indication of the special volume is needed to have your paper considered for this specific number of ***Brazilian Journal of Probability and Statistics***. To be sure, you might also send an email message to the guest editors ([eb2016@dme.ufrj.br](mailto:eb2016@dme.ufrj.br)) informing about your submission. Submitted articles will be peer refereed.
