ISBIS 2019 Satellite Conference
August 15-16, 2019
Bank Negara Malaysia, Sasana Kijang, Kuala Lumpur, Malaysia
<http://www.isbis-isi.org/ISBIS2019.html>

Dear ISBIS members

The deadline for submitting invited sessions for the ISBIS 2019 Satellite Conference in Kuala Lumpur on August 15 and 16 has been extended until **February 15!** If you are interested in arranging an invited session, please contact the chair of the Scientific Program Committee by email: **Martina Vandebroek** (martina.vandebroek@kuleuven.be) and mention "invited session proposal for ISBIS 2019" in the subject. An invited session has 3 presentations of 30 minutes, including discussions. Proposals, including the topic, the name of the organizer and the name of the 3 speakers, must be sent before February 15. The Scientific Program Committee will evaluate the proposals and inform the organizers of its decision by email before **March 15**. If accepted, the titles of the 3 presentations have to be submitted with abstract **before March 31, 2019**.

The call for contributed papers is still open. Please send your abstract by email to the chair of the Scientific Program Committee: **Martina Vandebroek** (martina.vandebroek@kuleuven.be) and mention "submission for ISBIS 2019" in the subject. All submissions will be evaluated by the Scientific Program Committee, the accepted abstracts can be presented at the conference. Presentations on topics relevant to Business and Industrial Statistics are welcome. Abstracts must be submitted before **February 15**. Authors will be notified of paper acceptance or non-acceptance by email before **March 15**.

Information:

Questions about the program and submissions should be sent to the chair of the Scientific Program Committee: **Martina Vandebroek** (martina.vandebroek@kuleuven.be). Questions about the local organization should be sent to the chair of the Local Organizing Committee: **Wee-Yeap Lau** (wylau@um.edu.my). All information about registration, hotel information, program, etc. can be found on the conference website <http://www.isbis-isi.org/ISBIS2019.html>.

62nd ISI World Statistics Congress (ISI WSC 2019)
Pre-WSC Program of Short Courses
16-17 August 2019
Kuala Lumpur, Malaysia

Following the tradition of the previous WSCs, ISI, in cooperation with its Associations and with support of the host organization, is organizing a pre-WSC programme of short courses to take place on 16-17 August 2019 at Sasana Kijang of Bank Negara Malaysia,

Kuala Lumpur. The complete list of courses to be offered is available at <http://www.isi2019.org/short-courses/>.

ISBIS is a strong participant in the organization of the Course Program. In particular, notice the following courses with a strong business and industrial statistics content:

- *Statistical Methods for Fraud Assessment* Instructor: **Tahir Ekin**
- *High-dimensional Time Series Analysis* Instructors: **Rob J Hyndman and Earo Wang**

The registration for the short courses programme is now open. If you are planning to attend the ISI WSC 2019, please do not postpone and register for the course of your choice now! Registration information and further details can be found at <http://www.isi2019.org/short-courses/>.

ISI Asian Development Bank (ADB) Funding Opportunities for ISI WSC 2019

ISI WSC 2019 participants from ADB developing member economies may apply for funding from the ADB Fund (visit <https://isi-web.org/images/WSC/2019/callADBF.pdf> for details about this funding opportunity). Deadline for submissions has been extended until **8 February 2019**. For direct access to the online submission form, visit <https://isi-web.org/index.php/adbf>.
